

Give 'N Gobble Race Event Sponsor Information

The Give 'N Gobble Race Committee invites you to make this 6th annual race a huge success! Since 2014, the Give 'N Gobble Race Event has raised over \$136,000 for the [Dickson County Help Center](#). The Dickson County Help Center uses this money to provide Christian spiritual guidance, emotional comfort and physical support for those caught in a temporary situation of need.

The Give 'N Gobble Race Event will be held on Thanksgiving Day. Your sponsorship helps to defray the cost of organizing the event. Funds received from sponsorships are used to purchase t-shirts and medals for registered race participants, provide chip timing, awards, and complimentary drinks and snacks for each race participant. All additional money from sponsorships goes directly to the Dickson County Help Center. All sponsorships are tax deductible.

Will you consider becoming a sponsor or increasing/renewing your sponsorship level of the Give 'N Gobble Race Event? Without you, this race would not be possible. And thanks to you, many of our Dickson County neighbors are helped in their time of need.

We expect over 1,500 race participants in Downtown Dickson on Thanksgiving Day. Along with the race participants we also expect officials, volunteers, participants' families and spectators which allow significant exposure and advertising benefits for your business. Below are the sponsorship levels which outline the benefits of each.

Sponsorship Levels

Marquee Level Sponsor - \$5,000 minimum

- Business name listed on all race materials as Marquee Level Sponsor
